Knights Enham Schools - PE and Sports Premium plan 2026 - 2027

Impact and Strengths

- The PE programme is fully embedded across the school, with further developments implemented successfully. Including, forest school activities being offered to all students throughout the academic year.
- The profile of PE has been raised through hosting town-wide sporting events involving over 10 schools and increasing pupil participation opportunities.
- The school was awarded the **Sports Mark PLATINUM**, becoming the first school in Andover to achieve this.
- Pupils have regular access to scootering during break and lunchtime, as well as free use of the cycle track.
- Increased opportunities are available for pupils to participate in extra-curricular sporting activities. (FREE and delivered by school staff)
- Active play opportunities at break and lunchtime support pupils in engaging in regular physical activity.
- Active travel initiatives are promoted, including Walk to School Week and Scoot to School Week.
- The school has increased participation in competitive sport and widened access to extra-curricular activities.
- The Daily Mile has been incorporated into the curriculum, ensuring all pupils take part.
- A wider range of free after-school clubs is offered, delivered by school staff.

- A multi-skills holiday club is in place for pupil premium pupils through the **Personal Best** programme.
- Continue to widen opportunities and targeted provision for pupil premium pupils taking part in events at Harrow Way (Through School Sports Coordinator)

Areas for Further Development and Identified Need

Further develop mental health and wellbeing by embedding a structured physical wellbeing programme linked to The Knights' Way values, with pupil voice and wellbeing surveys used to evaluate impact.

Increase the use of the cycle track across year groups and curriculum subjects, ensuring all pupils access cycling activities regularly and safely throughout the academic year.

Swimming and Water Safety (National Curriculum Requirements)

Last year, **32 pupils** participated in swimming lessons:

- **19 pupils** (59%) can swim competently, confidently, and proficiently over a distance of at least 25 metres.
- **19 pupils** (59%)can use a range of strokes effectively.
- **18 pupils** (56%) can perform safe self-rescue in a range of water-based situations.

	Success Criteria: Increased number of pupils representing the school. Increased participation by disadvantaged pupils. All year groups represented at competitive sporting events			

PE and school sport continue to be a significant strength at Knights Enham Schools. Funding has increased participation, broadened opportunities, strengthened staff expertise and improved access to competitive sport. Particular success has been seen through the continuation of the Sports Mark Platinum standard, extensive partnership work with external providers and increased opportunities for disadvantaged pupils to engage in physical activity and competition. Future priorities will focus on targeted swimming provision, wellbeing through sport and ensuring sustainable staff development.
