

Curriculum Intent

From our curriculum, pupils will become physically educated though experiencing a range of activity areas that:

- develop courage and display respect for the body
- build confidence to take part in physical activity
- develop competence in a range of physical skills
- challenge through a range of opportunities to take part in broad range of physical activity
- develop communication and collaboration between pupils.

At Knights Enham Schools, our vision for Physical Education is that every child should have the opportunity to develop the physical confidence and skills to enjoy being active. We hope this will lead to our children aspiring to live a life-long passion of being physically active.

A broad and balanced Physical Education Curriculum is intended to provide for children's increasing self-confidence, whilst providing appropriate challenge for all. At the core of our teaching and learning is the importance of children developing their skills and ability to manage themselves and their bodies within a variety of movement situations.

We also strive to give children the opportunity to participate in a variety of competitive sports during their school life. Giving them the prospect of understanding what competition feels like, what it is like to be part of a team and to be able to both win and lose with equal grace whilst showing respect and nobleness.

It is also important that our children become confident leaders and therefore we pride ourselves in our 'Learn to Lead' opportunities. Developing children's leadership gives them the understanding of what it is like to have responsibility and to show respect for rules whilst bringing the added challenge of communication and teamwork.

These opportunities and prospects give our children the skills, knowledge and self-belief to change their world.

<u>Implementation</u>

Children participate in high-quality PE lessons and Outdoor and Adventurous activities twice a week.

- Teachers use, and adapt, whole school PE planning and resources to ensure lessons across years show progression through our learning journeys.
- Teachers follow the PE long term planning to ensure pupils participate in a variety of sports.
- Children are taught by teachers/Sport Coaches with a range of expertise.
- All classes participate in a variety of activities to help students meet the 30 minutes of daily physical activity at school, for example: Just Dances, Cosmic Kids Yoga, GoNoodle and The Daily Mile.

National Curriculum Statements

EYFS - Early learning goals

- Communication and language development:

 This involves giving children opportunities to speak and listen in a range of situations and to develop their confidence and skills in expressing themselves.
- Physical Development:
 This involves providing opportunities for children to be active and interactive, and to develop their co-ordination, control and movement. Children must also be helped to understand the importance of physical activity, and to make healthy choices in relation to food.
- Personal, social and emotional development:

This involves helping children to:

- o develop a positive sense of themselves and others.
- o form positive relationships and develop respect for others.
- o Develop social skills and learn how to manage their feelings
- o understand appropriate behaviour in groups
- have confidence in their own abilities.
- Expressive arts and design:

This involves supporting children to explore and play with a wide range of media and materials. It involves providing children with opportunities and encouragement for sharing their thoughts, ideas and feelings through a variety of activities in art, music, movement, dance, role-play and design and technology.

Key stage 1

Pupils should develop fundamental movement skills, become increasingly competent and confident and access a broad range of opportunities to extend their agility, balance and coordination, individually and with others. They should be able to engage in competitive (both against self and against others) and co-operative physical activities, in a range of increasingly challenging situations.

Pupils should be taught to:

- master basic movements including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities
- participate in team games, developing simple tactics for attacking and defending
- perform dances using simple movement patterns.

Key stage 2

Pupils should continue to apply and develop a broader range of skills, learning how to use them in different ways and to link them to make actions and sequences of movement. They should enjoy communicating, collaborating and competing with each other. They should develop an understanding of how to improve in different physical activities and sports and learn how to evaluate and recognise their own success.

Pupils should be taught to:

- use running, jumping, throwing and catching in isolation and in combination
- play competitive games, modified where appropriate [for example, badminton, basketball, cricket, football, hockey, netball, rounders and tennis], and apply basic principles suitable for attacking and defending
- develop flexibility, strength, technique, control and balance [for example, through athletics and gymnastics]
- perform dances using a range of movement patterns
- take part in outdoor and adventurous activity challenges both individually and within a team
- compare their performances with previous ones and demonstrate improvement to achieve their personal best.

Swimming and water safety

All schools must provide swimming instruction either in key stage 1 or key stage 2.

In particular, pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations.

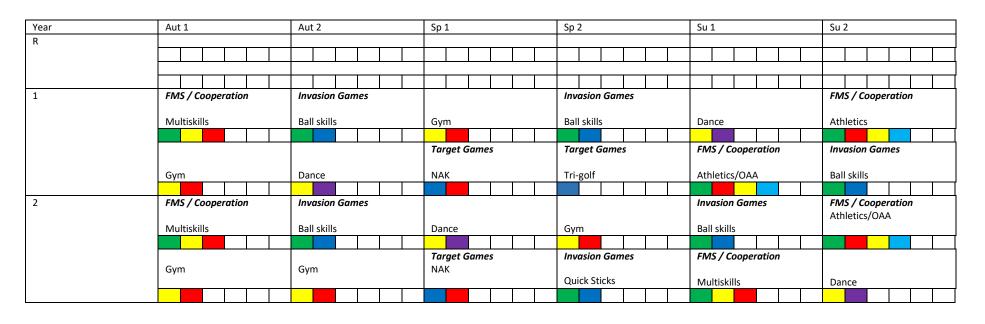

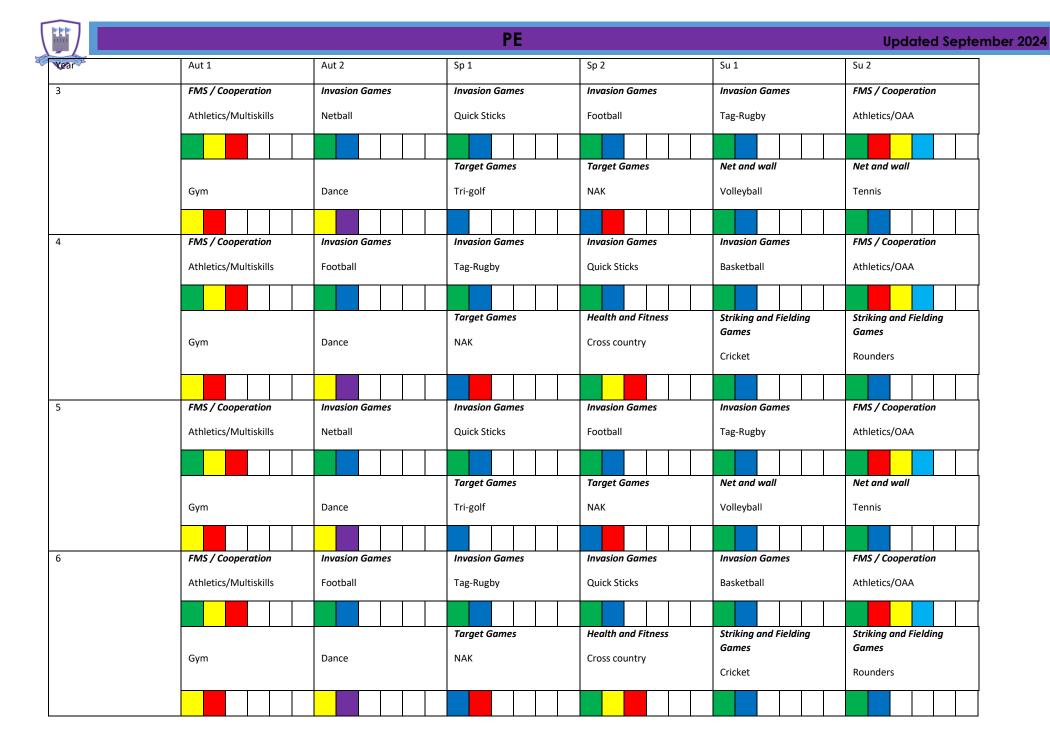

How is PE taught at Knights Enham Schools? Integrated elements

	Use running, jumping, throwing and catching in isolation and in combination	Play competitive games, modified where appropriate and apply basic principles suitable for attacking and defending	Develop flexibility, strength, technique, control and balance	Perform dances using a range of movement patterns	Take part in outdoor and adventurous activity challenges both individually and within a team	Compare their performances with previous ones and demonstrate improvement to achieve their personal best.

Discretely

SKILL PROGRESSION

	Year R	Year 1	Year 2
	Moves freely and with pleasure and confidence in a range of ways, such as	Copies and explores basic movements and body patterns	Copies and explores basic movements with clear control.
	slithering, shuffling, rolling, crawling, walking, running, jumping, skipping, sliding	Links movements to sounds and music.	Varies levels and speed in sequence
	and hopping.		Can vary the size of their body shapes
Dance			Add change of direction to a sequence
		Responds to range of stimuli.	Uses space well and negotiates space clearly.
			Can describe a short dance using appropriate vocabulary.
			Responds imaginatively to stimuli.
	Jumps off an object and lands appropriately.	Copies and explores basic movements with some control and coordination.	Explores and creates different pathways and patterns.
	Travels with confidence and skill around, under, over and through balancing and climbing equipment.	Can perform different body shapes	Uses equipment in a variety of ways to create a
		Performs at different levels	sequence
Gym	Cirribing equipment.	Can perform 2 footed jump	Link movements together to create a sequence
		Can use equipment safely	
		Balances with some control	
		Can link 2-3 simple movements	

PE

Games	Finds space when playing racing and chasing games with other children, adjusting speed or changing direction to avoid obstacles. Can show increasing control over an object in pushing, patting, throwing, catching or kicking it. Can show increasing control over an object in pushing, patting, throwing, catching or kicking it.	Can travel in a variety of ways including running and jumping. Beginning to perform a range of throws. Receives a ball with basic control Beginning to develop hand-eye coordination Participates in simple games Can run at different speeds. Can jump from a standing position Performs a variety of throws with basic control.	Confident to send the ball to others in a range of ways. Beginning to apply and combine a variety of skills (to a game situation) Develop strong spatial awareness. Beginning to develop own games with peers. Understand the importance of rules in games. Develop simple tactics and use them appropriately. Beginning to develop an understanding of attacking/ defending Can change speed and direction whilst running. Can jump from a standing position with accuracy. Performs a variety of throws with control and coordination. preparation for shot put and javelin Can use equipment safely
Evaluation	Can say what they like about others performance.	Can comment on own and others performance Can give comments on how to improve perform Use appropriate vocabulary when giving feedb	nance.
Healthy Lifestyles	Can tell adults when hungry or tired or when they want to rest or play. Observes the effects of activity on their bodies. Shows understanding that good practices with regard to exercise, eating, sleeping and hygiene can contribute to good health.	Can describe the effect exercise has on the body Can explain the importance of exercise and a healthy lifestyle.	

	Year 3 (Lower KS2 skills)	Year 4 (Lower KS2 skills)
	Beginning to improvise independently to create a simple dance.	Confidently improvises with a partner or on their own.
	Beginning to improvise with a partner to create a simple dance.	Beginning to create longer dance sequences in a larger group.
	Translates ideas from stimuli into movement with support.	Demonstrating precision and some control in response to stimuli.
Dance	Beginning to compare and adapt movements and motifs to create	Beginning to vary dynamics and develop actions and motifs.
	a larger sequence.	Demonstrates rhythm and spatial awareness.
	Uses simple dance vocabulary to compare and improve work.	Modifies parts of a sequence as a result of self-evaluation.
		Uses simple dance vocabulary to compare and improve work.
	Applies compositional ideas independently and with others to	Links skills with control, technique, co-ordination and fluency.
	create a sequence.	Understands composition by performing more complex sequences.
	Copies, explores and remembers a variety of movements and uses these to create their own sequence.	Beginning to use gym vocabulary to describe how to improve and refine performances.
	Describes their own work using simple gym vocabulary.	Develops strength, technique and flexibility throughout performances.
Gym	Beginning to notice similarities and differences between sequences.	Creates sequences using various body shapes and equipment.
	Uses turns whilst travelling in a variety of ways.	Combines equipment with movement to create sequences.
	Beginning to show flexibility in movements	
	Beginning to develop good technique when travelling, balancing, using equipment etc	
	Understands tactics and composition by starting to vary how they respond.	Vary skills, actions and ideas and link these in ways that suit the games activity.
Games	Vary skills, actions and ideas and link these in ways that suit the games activity.	Shows confidence in using ball skills in various ways, and can link these together.
	Beginning to communicate with others during game situations.	e.g. dribbling, bouncing, kicking
	Uses skills with co-ordination and control.	Uses skills with co-ordination, control and fluency.

	Develops own rules for new games. Makes imaginative pathways using equipment. Works well in a group to develop various games. Beginning to understand how to compete with each other in a controlled manner. Beginning to select resources independently to carry out different skills.	Takes part in competitive games with a strong understanding of tactics and composition. Can create their own games using knowledge and skills. Works well in a group to develop various games. Compares and comments on skills to support creation of new games. Can make suggestions as to what resources can be used to differentiate a game. Apply basic skills for attacking and defending. Uses running, jumping, throwing and catching in isolation and combination.
Athletics	Beginning to run at speeds appropriate for the distance. e.g. sprinting and cross country Can perform a running jump with some accuracy Performs a variety of throws using a selection of equipment. Can use equipment safely and with good control.	Beginning to build a variety of running techniques and use with confidence. Can perform a running jump with more than one component. e.g. hop skip jump (triple jump) Demonstrates accuracy in throwing and catching activities. Describes good athletic performance using correct vocabulary. Can use equipment safely and with good control.
Outdoor Adventurous Activities	Develops listening skills. Creates simple body shapes. Listens to instructions from a partner/ adult. Beginning to think activities through and problem solve. Discuss and work with others in a group. Demonstrates an understanding of how to stay safe.	Develops strong listening skills. Uses simple maps. Beginning to think activities through and problem solve. Choose and apply strategies to solve problems with support. Discuss and work with others in a group. Demonstrates an understanding of how to stay safe.
Swimming	Swims competently, confidently and proficiently over a distance of at least 25 metres Uses a range of strokes effectively e.g. front crawl, backstroke and breaststroke.	

	Performs safe self-rescue in different water-based situations. Swims competently, confidently and proficiently over a distance of at least 25 metres	
	Uses a range of strokes effectively e.g. front crawl, backstroke and breaststroke.	
	Performs safe self-rescue in different water-based situations.	
	Watches and describes performances accurately.	
	Beginning to think about how they can improve their own work.	
Evaluation	Work with a partner or small group to improve their skills.	
	Make suggestions on how to improve their work, commenting on similarities and differences.	
	Can describe the effect exercise has on the body	
Healthy	Can explain the importance of exercise and a healthy lifestyle.	
Lifestyles	Understands the need to warm up and cool down.	

	Year 5 (Upper KS2 skills)	Year 6 (Upper KS2 skills)
	Beginning to exaggerate dance movements and motifs (using expression when moving)	Exaggerate dance movements and motifs (using expression when moving)
	Demonstrates strong movements throughout a dance sequence.	Performs with confidence, using a range of movement patterns.
	Combines flexibility, techniques and movements to create a fluent sequence.	Demonstrates a strong imagination when creating own dance sequences and motifs.
Dance	Moves appropriately and with the required style in relation to the	Demonstrates strong movements throughout a dance sequence.
	e.g using various levels, ways of travelling and motifs.	Combines flexibility, techniques and movements to create a fluent sequence.
	Beginning to show a change of pace and timing in their movements.	Moves appropriately and with the required style in relation to the stimulus.
	Uses the space provided to his maximum potential.	e.g using various levels, ways of travelling and motifs.

	Improvises with confidence, still demonstrating fluency across their	Beginning to show a change of pace and timing in their movements.
	sequence.	Is able to move to the beat accurately in dance sequences.
	Modifies parts of a sequence as a result of self and peer evaluation.	Improvises with confidence, still demonstrating fluency across their sequence.
	Uses more complex dance vocabulary to compare and improve work.	Dances with fluency, linking all movements and ensuring they flow.
	Work.	Demonstrates consistent precision when performing dance sequences.
		Modifies parts of a sequence as a result of self and peer evaluation.
		Uses more complex dance vocabulary to compare and improve work.
	Select and combine their skills, techniques and ideas.	Plan and perform with precision, control and fluency, a movement
	Apply combined skills accurately and appropriately, consistently showing precision, control and fluency.	sequence showing a wide range of actions including variations in speed, levels and directions.
	Draw on what they know about strategy, tactics and composition when performing and evaluating.	Performs difficult actions, with an emphasis on extension, clear body shape and changes in direction.
	Analyse and comment on skills and techniques and how these are applied in their own and others' work.	Adapts sequences to include a partner or a small group.
		Gradually increases the length of sequence work with a partner to
Gym	Uses more complex gym vocabulary to describe how to improve and refine performances.	make up a short sequence using the floor, mats and apparatus, showing consistency, fluency and clarity of movement.
	Develops strength, technique and flexibility throughout performances.	Draw on what they know about strategy, tactics and composition when performing and evaluating.
	Links skills with control, technique, co-ordination and fluency.	Analyse and comment on skills and techniques and how these are applied in their own and others' work.
	Understands composition by performing more complex sequences.	Uses more complex gym vocabulary to describe how to improve and refine performances.
		Develops strength, technique and flexibility throughout performances.
	Vary skills, actions and ideas and link these in ways that suit the games activity.	Vary skills, actions and ideas and link these in ways that suit the games activity.
Games	Shows confidence in using ball skills in various ways, and can link these together.	Shows confidence in using ball skills in various ways, and can link these together effectively.
	Uses skills with co-ordination, control and fluency.	e.g. dribbling, bouncing, kicking

tactics and composition. Can create their own games using knowledge and skills. Can make suggestions as to what resources can be used to differentiate a game.
