

At Knights Enham Junior School we provide...

Inclusive and ambitious learning experiences where our school community feels safe and motivated to achieve their best.

Newsletter

Dear Parents and Carers,

Despite the heat, the children have had a lovely week and coped well. They enjoyed the water fight on Monday. I certainly had a target on my back during each water fight - soaked! They have also enjoyed the ice lollies which the school gave out to the children during their lunch breaks.

Reading Reward

Well done to all the children that kept working hard and achieving their home reading stars. They ice cream, sauce and a cone on Tuesday. This will continue next year.

Year 6

A massive well done and all the best to our Year 6. They have had a fantastic year. We could not be prouder of them and we wish them all the best as they start secondary school.

Reports

This week you have received your child's annual report. The teachers have worked many hours writing these reports to ensure they are personalised to your child and give a detailed picture of their achievements. I would like to take this opportunity to thank the teachers for all their time and hard work put into these. I would also like to say a big thank you to Miss Trace for organising the personal envelopes and making sure they all go out on time.

I would like to also take this opportunity to say a massive thank you to all the staff and children for their hard work this year. As a school, we have made tremendous progress and this is down to everyone single one of them. Finally, thank you to the parents for their continued support.

Stay safe, have a great summer holiday and we look forward to seeing you Friday 2nd September.
Enjoy!
