

Science

With a focus on the properties of materials, children will be able to give reasons, based on evidence from comparative and fair tests, for the particular uses of everyday materials including metals, wood and plastics.

RE

Resurrection – the empty cross.

Music

We will be following a music scheme called Charanga.

French

The children will be continuing to follow a unit called “All around my house and home”.

PE

This term we will be doing invasion games with the focus on basketball. We will also be looking at improving our sending and receiving skills by learning New Age Kurling skills for our indoor PE slot.

MATHS

This term we will be learning about statistics: bar charts and graphs. We will then be revisiting the four operations: addition, subtraction, multiplication and division with a focus on mental arithmetic skills.

ENGLISH

We will begin by focusing on a text called ‘The Lost Thing’ by Shaun Tan – the final outcome will be a letter to persuade. We will then be writing a newspaper article based on the music video “Titanium”.

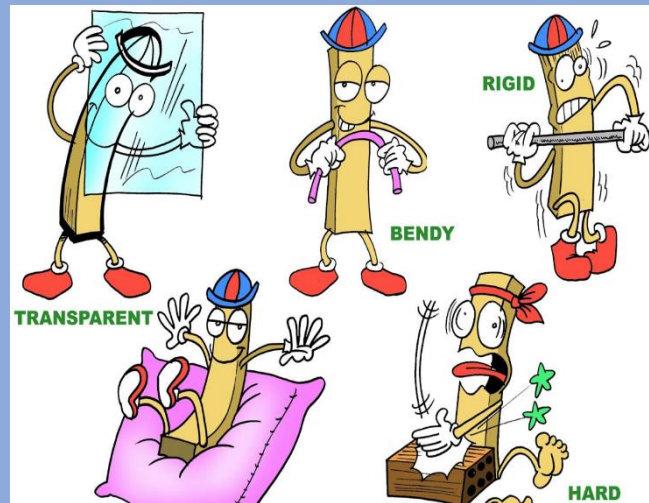

Mysterious Materials! Year 5 Spring 2 2022

PSHE

Students will learn how to understand their rights and the responsibilities that come with these rights.

Computing

Students will be building on their coding skills from last half term based on a game called Catch the Dots.

Art / DT

Students will be designing their own creature based on the illustrations from The Lost Thing using a variety of medium.

Culture Capital

Children will be creating a creature using natural resources.
