New SEND clinics

Dear Parents,

I would like to offer you the opportunity to meet with myself to discuss any special educational needs that are currently concerning you regarding your son or daughter. You may already have your child on our special educational needs register or may feel that your child needs to have some additional support that you would like to explore with me further.

Although your first point of contact is always your child's class teacher, I am aware that there are times when you may wish to speak to me directly and it can be hard to get hold of me.

I am therefore starting a regular SEND clinic with 20 minute bookable appointments for you to discuss your child's support and seek advice. Please look on the Arbor app to book your appointment (the same process as Parent's Evening).

Please find dates below:

Monday 7th February 1:00 - 3:00pm

Monday 14th March 1:00 - 3:00pm

Monday 16th May 1:00 - 3:00pm

Monday 20th June 1:00 - 3:00pm

Kind regards

Natalie White
