Dear Parents/Carers,

27th January 2022

RE: Covid-19 Guidance Update

I am writing to inform you that we have a number of positive COVID cases across the school.

Government guidance advises that all adults who are fully vaccinated and children aged 5 to 18 years and 6 months, identified as a contact of someone with COVID-19 – whether Omicron or not – should take a lateral flow device (LFD) test every day for 7 days instead of self-isolating. Daily testing by close contacts will help to slow the spread of COVID-19.

Should your child receive a positive LFD test please isolate immediately, please let us know by emailing adminoffice@knightsenham-jun.hants.sch.uk and calling the school on 01264 934777.

As a school, the staff will continue wearing masks around the school, children will use hand sanitizer when entering the school and throughout the day. We are cleaning around the school at regular intervals during the day and the playground is split into lower school and upper to allow for less mixing. Please continue to keep your distance whilst on the school grounds and wear masks.

If your child is unwell please could you test them with a LFD test in the morning prior to school. If any child is unwell at school, they will be immediately isolated and parents will be contacted and we will ask if it is ok for us to perform a LFD test on your child. If the test is positive the child will stay in the isolation room and you will be called to collect the child immediately.

Wraparound care for before and after school and our after school clubs will continue as normal.

The guidance is clear that we must do what we can as a school keep it running at full capacity by using different members of staff to teach classes or combine classes. Please bear with us if these changes are needed and thank you for your continue support.

ATTENDANCE

Attendance does remain statutory, please ensure you contact the school office if your child will be absent on 01264394777 before 9.00am. We will be contacting families if we have any concerns regarding attendance.

If you have any questions please do not hesitate to contact us.

Yours sincerely

Mr Daniel Whitehouse
Headteacher

At Knights Enham Junior School we provide...

Inclusive and ambitious learning experiences where our school community feels safe and motivated to achieve their best.

'Together We Achieve'
