

ENGLISH

With SATs ahead, we will be revising all aspects of spelling, grammar and punctuation. In addition, we will consider how to answer three-point questions in reading comprehension.

Children will explore the stunning book 'The Wonder Garden', which is a factual book about five different habitats and its animals. The children will be creating their own pages to add to the book including their own art work.

SCIENCE

Children are continuing to learn about light, how we see, shadows, reflection and refraction. We will learn how light travels and how this enables us to see objects. Children will have the opportunity to make a functioning periscope, finding out about mirrors and the angles of reflection and incidence. They will work scientifically and collaboratively to investigate refraction, carrying out some fascinating experiments into the effects of bending light.

RE

The children are exploring the idea of Prophet hood in the Islamic faith.

MUSIC

Children will be exploring classical music this term.

GEOGRAPHY

The children will be exploring 'The Americas', learning the differences between The North and The South. Following on from this they will be delving in deeper into South America and in particular the Amazon Rainforest and comparing it to their local area.

MATHS

With SATs fast approaching, the children will be recapping a range of topics in maths, such as angles, rounding and area and perimeter. They will also be practicing their arithmetic skills and part of their 'fluent in 5' completing a short arithmetic test in order to improve their speed and score every day.

Year 6 Spring 1 2022 South America

PE

We will be doing 'net and wall skills' with Miss Wells and Miss Escritt from Harrow Way outdoors and 'gymnastics' indoors this term. PE will continue to be a Monday and a Thursday.

PSHE

Our theme this term will be 'keeping myself safe.'

COMPUTING

Children will continue to start each computing session with an e-safety reminder. The children will be working on developing their coding skills on 'Scratch'.

DT and ART

In art, the children will be drawing in the style of 'The Wonder Garden', to produce the art work for their English writing. They will also be making tribal masks, similar to those worn in the Amazon Rainforest.
