Covid

We would ask our families to let us know if a positive case of Covid is confirmed for a pupil having been tested within 48 hours of being in school. Please do this via the school's email address, admin@knightsenham-jun.hants.sch.uk, thank you.

Dear Parents and Carers,

As we reach the end of another challenging term I just want to say a massive thank you to all the staff for their amazing hard work and commitment to continue to do the best for all the children through all the challenges thrown at them.

This term has been a rollercoaster of ups and downs. The children have been amazing throughout the term. We have been so impressed by their attitude and the progress they have made, especially after having such a turbulent year previously.

This week, the children have enjoyed their Christmas Disco with Disco Dion. He was great and the children seemed to love it. They have also enjoyed their Christmas lunch and movie afternoon in the hall. Thank you to Miss Pedge for supplying the children with a Christmas cracker each which they enjoyed with their Christmas lunch.

We hope as a school we have continued to deliver wonderful experiences, which we hope the children will treasure. As a way to say thank you to all the children for their efforts, we entered all of them into a sweet raffle in assembly today and everyone was a winner! Thank you again for all your contributions in making this happen, they were all very excited.

The winners of the staff reward raffle were also announced today. The adults organising the rewards will be in contact with the winning children sometime in the new year.

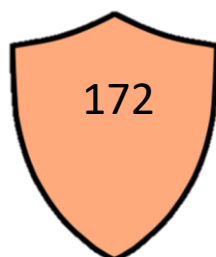

Finally, I would like to say a big thank you to Asda for supplying Christmas Goodies for the school. They have been a great support.

As always, thank you for all your support. I hope you have a wonderful Christmas. I plan to do 'nothing' for at least the first week. On behalf of the staff at KEJS, 'Happy Christmas and a Happy New Year'.

Take care and see you all soon,

Mr Whitehouse and the KEJS Team!
