Headteacher: Mr D Whitehouse BA(Hons)

Date: Sept '21

Dear Parents and Carers,

I hope you all had a lovely summer holiday. We're excited to be back for the start of the autumn term and we can't wait to see the children again and welcome the new Year 3 children to Knights Enham Junior School. We're really looking forward to a great autumn term where hopefully, as the country continues opening up again, we can start returning to normality in school.

Each year group is starting their new curriculum topics this week and we will share the curriculum maps with you soon to show you what your child will be learning in each subject this half term. This information will also be available on the curriculum pages of our school website.

The gates to the school will be open at **8:30am**. A member of the leadership team will be on the main playground if you have any questions or just want to say hello. Jenn, our support worker, will be available most mornings at the front of the school.

**Please note:** only the back gates to the infants and junior schools will be open from **8:30am**. The main gate to the front of the schools will be closed as it was before Covid.

Staff will welcome the children at classroom doors from **8:45am** – please see map below. At the end of the day, the gates will be open from 2:45pm and the children will leave from their classroom doors from 3pm. An adult will be there if you have any questions.

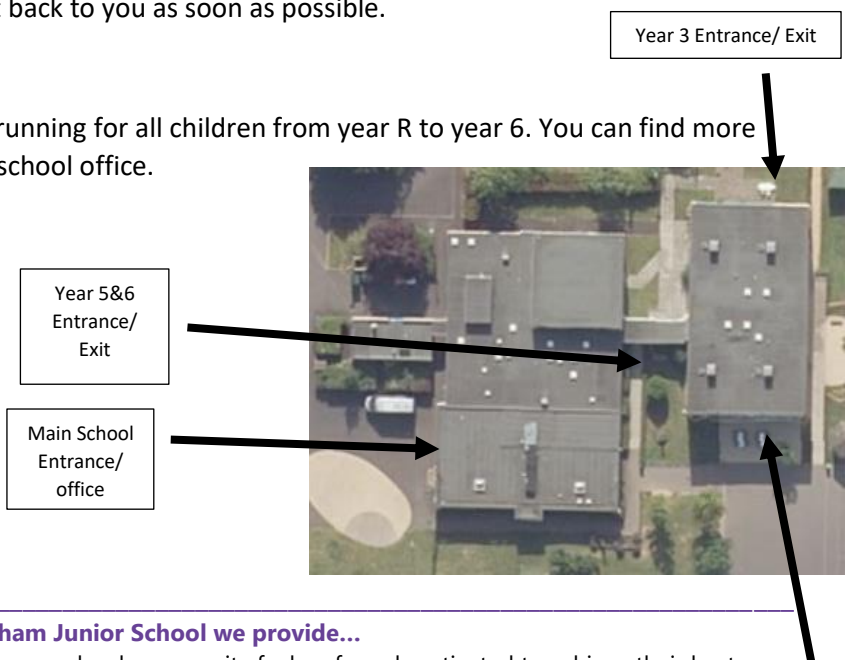

On Friday, the children will come home with their new home school diaries. Please take the time to look through them. The children will use them in school to record reading and their weekly spelling tests. Please use the home school diary every day to record home reading as this will go towards your child's reading reward each half term. Also we hope you will find it a useful resource for communication. Please add any communications regarding your child to the adults in school and we will aim to get back to you as soon as possible.

## Little Knights Wrap Around Care

Our new wrap around care service is now up and running for all children from year R to year 6. You can find more information on the school website or contact the school office.

We look forward to seeing you Friday morning!

Mr Whitehouse and the staff at KEJS.

## At Knights Enham Junior School we provide...

Inclusive and ambitious learning experiences where our school community feels safe and motivated to achieve their best.

*'Together We Achieve'*
