Headteacher: Mr D Whitehouse BA(Hons)

Date: May '21

Dear Parent/ Carers,

Schools have been asked to operate the 'track and trace' protocol for all children who have been in school this week for the first 48 hours of the half term holidays from Thursday 27th May. It will be necessary for you to follow the procedures set out below if your child tests positive for Covid19:

- If your child develops symptoms on Friday 28<sup>th</sup> or Saturday 29<sup>th</sup> May 2021 and subsequently tests positive for coronavirus, you should contact the school immediately via email at [covid@hiltingbury-inf.hants.sch.uk](mailto:covid@hiltingbury-inf.hants.sch.uk) We will check this email address daily. If there is a positive case, we will identify all children and adults who have been in close contact and will direct them to self-isolation, as the child may have been infectious whilst in school.
- If your child develops symptoms on or after Sunday 30<sup>th</sup> May 2021 you do not need to contact the school immediately but please do continue to follow the testing and contact tracing instructions provided by NHS Test and Trace <https://www.nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing/what-your-test-result-means/>

<https://www.nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing/nhs-test-and-trace-if-yourecontacted-after-testing-positive-for-coronavirus/>

To remind you: if anyone in your household develops covid-19 symptoms they must go for a PCR test and the whole household must immediately isolate and wait for the outcome of a test. You cannot use an LFD test on a primary aged child who is symptomatic. A positive PCR test would mean that your whole household continues to isolate for 10 days from when symptoms started. (10 days for the positive case, also). A negative PCR test would mean that your household can stop isolating.

Kind regards,

D.Whitehouse (Headteacher)
