Summer Term 2

Year 6 residential – 9th
& 10th June (meeting
to be confirmed)

INSET – 23rd July

This will be updated
weekly when we have
received updates on
Covid guidance.

Dear Parents & Carers,

The children have had a great week. They have impressed us so much with how quickly they have settled back in, working hard and enjoying their learning.

I would like to take this opportunity to say thank you to you all for your support, especially with uniform. The children are looking really smart and set high expectations which we aim to achieve.

A reminder that children must now bring in their PE kits to school and change for their PE lessons. The expectations for PE kits has been set out in the recent uniform letter. Also, now the sun is finally coming out please make sure the children bring in water bottles and hats.

Please come & talk!

Please feel welcome to come & talk to staff at the start and end of the day – we always try to be available. If you need an appointment for a quieter word, please contact the office. We are here to support you and we will always make time for you.

Thank you again for all your support. Enjoy your weekend.

Mr Whitehouse (Headteacher) and the KEJS Team!

Common Coronavirus Symptoms

Does your child/household member have one or more of the following common coronavirus symptoms?

- a high temperature
- a new, continuous cough, this means coughing a lot for more than an hour, or three or more coughing episodes in 24 hours (if the child usually has a cough, it may be worse than usual)
- a loss or change to your sense of smell or taste

Covid Update:

Please don't forget to get your supply of Lateral Flow Tests for your family so that you can test the secondary school children and adults in your family – this will help to keep everyone even safer!

<https://www.hants.gov.uk/socialcareandhealth/coronavirus/testand-trace/home-test-kit>. Our staff will be continuing to use LFTs to test themselves regularly over the coming weeks.

Total House Points This Week

CLASS ATTENDANCE

As you know, we are very keen on making sure that all pupils attend school every day! Great attendance means that the children have the very best chance of doing well at school. We are always very grateful for the part you play as families in getting the children into school regularly and on time!

We will publish the attendance figures every week, so that you can see how well your class is doing.

Dover	Leeds	Warwick	Windsor	Edinburgh	Highclere	Balmoral
Year 3	Year 3	Year 4	Year 4	Year 5/6	Year 5/6	Year 5/6
96.1	95.7	95.0	96.1	97.3	95.5	97.9

Congratulations to Balmoral you have achieved the highest attendance this week!

Knights Enham Time Capsule Opening!

Time to Celebrate this Monday!

We will be celebrating the opening of the time capsule. Mr Eyles (former headteacher) and former pupils will be enjoying the morning at school, retelling memories of the past and sharing items from the time capsule with the children.

The children will also have an opportunity to place an item into a new time capsule. Part of the morning will be recorded and will be downloaded on the school website, under the parent tab.

House Competition

Bingo Afternoon!

Friday afternoons will now become bingo afternoons with each year group being given the opportunity to enjoy playing the game. The winners will receive a prize and extra House Points for their house. Year 3 will be next Friday, Year 4 will be Friday 7th May and Year 5/6, Friday 14th May. Pictures will be added to the newsletter each week.

Our Forest Schools

Thank you to Mr Pude, who has been working hard to improve the forest for the children. A new path has been laid and new seating has been built. I sure you would agree, this is a great space for the children to use every week. I'd also like to say thank you to AJP Oakwork Ltd and EJM Tress Services Ltd who kindly supplied the materials for free!

Supporting the Local Community

Connect4Families

The family fun day over the Easter holidays was a huge success at the school. The families enjoyed being involved in lots of exciting activities. The children were even given the chance to sit in a fire engine and handle a water hose.

I would like to thank all the staff from Connect4Families, for the hard work in making sure this event happened and was delivered successfully.

Streets Ahead Community

(Andover New Street FC)

Knights Enham Junior School are proud to announce that Streets Ahead will now be using the school field to train and play matches throughout the week. We are pleased to support our local community and hope this will benefit the children at Knights Enham Junior School to be part of future football clubs.

About the community: Streets Ahead is an inclusive football club based in Andover. They welcome all footballers regardless of age or ability who find it difficult to play in regular football teams. They have regular training sessions that take place at Knights Enham Junior School run by FA accredited coaches and play in festivals throughout the year. See separate attachment for free girls' football sessions.

See their Facebook page for more information: <https://www.facebook.com/Streets-Ahead-213382132028923/>

Knights Enham Parent Teacher Association (PTA)

Can you help raise money for the children at Knights Enham Junior School?

The school is looking to bring together a new PTA, where parents and teachers can work together in organising different events for the children and the community with the aim to raise money and continue to improve the quality of learning the children receive.

If you are interested then please contact the school office and ask to speak to our Business Manager, Vicki Goodier.
