Dear Parents/ Carers,

The Governing Body of Knights Enham Junior School would like to welcome all the children back to school tomorrow.

We have been made aware of the tremendous effort that has been put into school learning recently, at home and by those who have continued to be in school. We would like to thank every parent and carer for all their efforts during this time and not to mention the valued work and support from our teachers.

We understand this has been an unusual time of uncertainty and it has not been easy by any means. From now on, what we can look forward to is a positive change, the children being back amongst their peers and routine resuming, albeit still very different to the norm.

The Governors would also like to show their support to our new Headteacher Mr Whitehouse and Deputy Headteacher Mrs White. With their new vision and strong values, we truly believe that Knights Enham Junior School will become the great school that it deserves to be.

Kind regards,

The Governing Body

At Knights Enham Junior School we provide...

Inclusive and ambitious learning experiences where our school community feels safe and motivated to achieve their best.
