Headteacher: Mr D Whitehouse BA (Hons)

5th March 2021

Dear Parents/Carers,

I am writing to make you aware that although the children will be attending school as normal from 8th March, I will be continuing to teach the class remotely on a Thursday and Friday for shielding reasons. I wanted to give you more information and provide some reassurance about how this will work moving forward.

On Monday, Tuesday and Wednesday Mrs Webster will be in class as normal, however, on a Thursday and Friday I will be teaching live from home. Although this way of working will be slightly different, I want to assure you that I will still be very present throughout the day, from taking the register to delivering all of the teaching, taking groups virtually and providing feedback. I will be working closely with our wonderful HLTA, Mrs Stockwell, to deliver high quality lessons for the children. We will also be joined in class by the lovely Miss Jones and Mrs Elliot. As a team, we will be working very hard to help the children to ease back into life at school and adjust to this new way of working on a Thursday and Friday. We know they have been through a lot in the past year and looking after their mental health whilst helping them to make the progress they very much deserve is our utmost priority.

If you have any questions or you would like to speak to me at any point during the term please do not hesitate to contact the office and I will be able to give you a call.

Kind regards

Mrs Bartley

At Knights Enham Junior School we provide...

Inclusive and ambitious learning experiences where our school community feels safe and motivated to achieve their best.

'Together We Achieve'
