Spring term Issue 4

29 January 2021

Dear Parents/ Carers,

Well done to those who have survived another week of home remote learning! As a parent myself, I feel your pain but we have continued to be so impressed with the level in engagement and the fantastic work being submitted. It has been great to see so many of our children involved in the live sessions, please do continue to engage with these as it gives your child some routine to the week knowing it is happening each day. We will continue to do whatever we can to support you so please make sure you keep in contact.

You may have heard through the media that regular testing of primary school staff will be in place. We are pleased to say we have received our testing kits and started at the beginning of this week. Staff have been offered the opportunity to self-test twice weekly through a lateral flow device. This is to help identify asymptomatic staff and stop the unknown spread of coronavirus. All current systems and safety measures will remain in place and we continue to follow our whole school risk assessment of protective measures.

I hope you can all get some fresh air this weekend. As always, thank you so much for your continued support.

Mr Whitehouse

Remember **DO NOT** send your child to school if they are unwell and have any symptoms, however mild, of a high temperature, a new and persistent dry cough or have lost their sense of taste or smell. If you are unsure please ring and talk to us. Remember that if someone in the family has symptoms or has tested positive the whole family must isolate for the required time.

Dear Children,

Well done to all of you working so hard at home. The staff have all be so impressed by the work you are doing. Remember to keep doing your best, as you may receive House Points. I will share the winning house for the most House Points every Friday. All the assemblies can be found on the school website under Home Learning.

I hope you are starting to think about your designs for the Knights of the Roundtable. Thank you so much for helping me with this task. Hopefully, we can choose one of your knights to promote one of the school values.

Good news! The adventures are all now fixed and will be ready for your return!
Make sure you have a relaxing weekend. You deserve it!

School Vision

We are proud to announce that Knights Enham Junior School has a new School Vision. We hope this capitulates learning at our school by providing an education, which is challenging but accessible to all so that our children meet their full potential. The vision will support our new curriculum, which we will be launching in September.

Our Shared Vision

At Knights Enham Junior School we provide...

Inclusive and ambitious learning experiences where our school community feels safe and motivated to achieve their best.

'Together We Achieve'

I would like to give a big shout out to a parent of Knights Enham Junior School who brought two tablets to give to the school. This was out of the goodness of their heart and is now benefitting two families that really needed it. Thank you from the KEJS staff!

Thank you to Mr Pude who has built a reading area at the front of the school. In the summer, we hope this will be used as an outside classroom but also to be used as a library exchange. Hopefully, with Covid behind us, there will be books for children from both schools to exchange their books from home.
