# Happy New Year!

Dear Parents and Carers

I hope you all had a lovely Christmas. This wasn't the ideal start but it gives me great pleasure to introduce myself as the new Headteacher of Knights Enham Junior School. I am looking forward to working with the whole community in making sure the school achieves its full potential. We have a committed staff and wonderful children which is a great place to start and I will be listening to the views of the pupils and parents as we move towards our goal.

Thank you to everyone who has made me feel very welcome in my first week. Even through these are uncertain times, the children I have met have settled back into school life well and I was so impressed by the enthusiasm.

Mrs White and I will attempt to be at the gate before and after school each day for those who need to bring their children into school and we will make sure an assembly is on the school website each Friday to say hello to you and the children. I look forward to meeting more of you in the coming weeks.

Mr Whitehouse & Mrs White

Remember **DO NOT** send your child to school if they are unwell and have any symptoms, however mild, of a high temperature, a new and persistent dry cough or have lost their sense of taste or smell. If you are unsure please ring and talk to us. Remember that if someone in the family has symptoms or has tested positive the whole family must isolate for the required time.

**Dear children,**

I hope you are well and looking after each other in your family bubbles. I want to let you know that there are a range of different resources and apps on the school website, which you can access. This can be found on the children tab and select home learning. There is also an assembly, which you can watch. This is me finally introducing myself as your new headteacher. I hope I can do this for you soon.

Well done to everyone that has already accessed the Google Classroom. Please keep working hard in making sure you get through the work they have provided. They have been really impressed by the quality of work some have already completed. If you have any troubles logging on then let the school know and your teachers will do whatever they can to sort it out for you.

I hope to see you soon but until then, keep safe. We miss you all!
