Autumn term Issue 7
20 October 2020

Dear Parents,

We have come to the end of the half term and the children are all ready for the break. They have worked hard and it has been hard for them to settle back into the routine of school life after such a long time away from school.

We look forward to seeing them back after half term refreshed and ready for their learning.

We are hoping to be able to report to all parents on their child's progress this term. Instructions on how to access the consultations that are being held on Zoom are being sent out. We ask that parents are prompt with their timings to ensure the meeting runs to time. Please bear with us if there are any technical glitches, this is the first time we have tried to do anything like this we are crossing our fingers that it all works as planned!

I hope you have a happy and healthy half term we look forward to seeing you back on Monday 2nd November.

Sally Harvey– Interim Headteacher

Breakfast Club

We are delighted to be working with Youth Options to offer Breakfast Club for working parents starting after half term.

The club will be run to meet the Covid requirements in the school and children will be kept in the same Bubbles they are in during the school day.

Parents will need to register with the Scott Centre directly to book and place and arrange payment.

Please see attached leaflet which has more details.

Zoom Parent Evening

Later today you will be sent instructions on how to join the Zoom meetings with your child's teacher today and on Thursday.

You will need both the Meeting ID and the meeting password in order that you can join the meeting.

These instructions will be sent by email and will also be posted to the school website.

Remember **DO NOT** send your child to school if they are unwell and have any symptoms, however mild, of a high temperature, a new and persistent dry cough or have lost their sense of taste or smell. If you are unsure please ring and talk to us. Remember that if someone in the family has any of the main symptoms or has tested positive the whole family must isolate for the required time.

Flu vaccination

If you have not yet returned your consent please could you do so as soon as possible. This year we are encouraging all families to take advantage of this. The immunisation takes seconds and is through a nasal spray and will be done during the school day. Parents need to give consent for this to happen and this must be done online.

If you have difficulties accessing the system please come and talk to the school office who will be pleased to help you.
