Dear Parents,

We are enjoying seeing the children coming in again this week to collect their learning packs. There are still some families who have not yet collected the first pack which is a concern as they are not accessing the learning the teachers have prepared and are not interacting with the school so that the children can make contact with school staff. I am aware of a few families who are genuinely shielding and we have made arrangements to get the packs to these children. Please contact the school to arrange a time when you can collect the packs if you can't come during the allotted time slots. This is also important for the Year 6 children who are not in school as they will have had a very long time with no school work by the time they start secondary school in September, we are here to support all children who are currently on our roll.

Remember to use the newsletter to find further ideas for activities as well as use Purple Mash which the teachers are updating and checking regularly.

We are currently sorting out new classes and will have transition packs available in couple of weeks which will include details of your child's new class and teacher as well as some activities they can do ready for September. We hope to be able to give you details of some videos you can watch to get you ready for the return to school. We will also shortly have ready your child's annual report which will be available when you collect your transition pack. More information about this soon!

Please remember if you are concerned about anything or require some information please contact the school – we will be pleased to help you.

Sally Harvey – Interim Headteacher

INSET Days

The governing body has approved the following school closure days for In Service Training next year.

Thursday 4 September 2020

Friday 5th September 2020

Monday 4th January 2021

Monday 7th June 2021

Friday 23rd July 2021

This week's topic learning pack, attached to this newsletter is called **My Five Senses and it has a Science & Art focus**. Remember the age ranges are a guide and you can try things from other year groups.

Please note that the summer term ends on **TUESDAY 21 JULY 2020** this is the last day of term for ALL CHILDREN.

Cleaner wanted

We have a vacancy for a school cleaner.

5 days a week, an hour and a half a day with occasional overtime hours available.

We can offer:

- Full training, equipment and PPE.
- Hampshire County Council pension scheme
- £9.18 per hour
- A great team
- A chance to be part of the school staff playing a key part in the running of the school.

School books

Emails are going out to children who have library books at home. Please look hard and try to find these and return them to school as soon as you can. Returned books can be left at reception. Please put them in a bag marked with your child's name and class and we can ensure that our records are updated.

Parents will be charged for books that are not returned so we can replace them. The school cannot afford to lose hundreds of pounds worth of book stock so please look hard.

Lost property and left belongings

We have sorted the personnel belongings that were left in school and most of the named items have been reunited with their owners. If you have been notified that we have some of your property in school then please come and collect it as soon as possible. Anything left at the end of term will be disposed of.

Free Family Fun Days

Connect4Summer are hosting their FREE family Fun days that many of you will have enjoyed last year. They are an opportunity for you to spend the day with your child/children enjoying a variety of activities and a free lunch. There are 20 dates (between 29th July and 25th August) to choose from and you can go to as many as you like. This year the venue will be Vigo School but they are open to all families from ALL schools.

If you want to take up places you can book on-line but be quick as I'm sure it will be popular. If you need any help call the school office and ask for Jenn to ring you back.

If you are working and in receipt of income assessed Free School Meals and need childcare in the summer they are also offering 10 days Free childcare through Creative Kidz which will also be at Vigo School. All the details are on the Connect4Summer website.

If you need help accessing these please let us know so we can help you to access the site and book your free place.

Please see the leaflet and flyer attached to this weeks newsletter.
