**Interim Deputy Headteacher:** Mr L Britt

11th June 2020

Dear Parents,

Following the recent Government announcement that children in Year 3, 4 and 5 will not be returning to school and knowing we are now not likely to see the children before the summer holidays we have put together new learning packs for the children working at home.

As families are able to get out and about a little bit more we think it would be good for the children to come and collect their packs. This will give the children a chance to see members of staff and not feel quite so isolated from the school setting. The teachers are all looking forward to seeing the children.

The timetable for when you and your child can pick up the pack accompanies this letter. We have allotted times to allow for social distancing and to ensure that we don't have too many children on site at a time. It also allows us to put out the correct packs for each class so that your child's pack is easier to find. If you really can't make either of the times for your child's class, then please ring the school and we will arrange a mutually agreeable time.

In addition to the learning packs we will also have some tables of lost property and left belongings which we would like you to check. A number of PE kits and lunch boxes were left when we closed so abruptly in March. There are lots of other things too.

Please hunt for any school books you may have at home and place them in a plastic bag or large envelope with your child's name and class and place them in the box we will have available. We are hoping to be able to do a stock check at the end of term. If you are not sure if you have any books let us know and we can tell you the titles you should be looking for.

We are looking forward to seeing you and your child – in a socially distanced way in the not too distant future.

Yours sincerely,

Sally Harvey

Headteacher

Packs will be available from the front of the school. Entrance will be through the **school front gates only**. Please be aware of traffic when coming into the school this way.

Please remember to observe the 2 metre distancing rule.
