Newsletter

Summer term Issue 5

19 May 2020

Dear Parents,

We are currently working on plans for Year 6 to return to school and will be notifying them separately. For everyone else I am afraid it will be a bit longer yet and even when we do return it will not be school as it was in March as the routines will need to be very different.

In the meantime please keep working hard on the home learning ideas that we keep sending you. Remember that even if you can't access the internet to do some of the activities on Purple Mash or the other sites we have recommended there are still lots of things that can be done at home.

Keep reading, practice handwriting, write a little bit every day maybe keep a diary or make up stories, practice number bonds and times tables. Don't forget the TV has wonderful nature programmes and history and geography programmes to interest the whole family. Walking outside you can spot plants and animals in nature and maybe practice drawing skills.

We have not had many recent pictures from children or news of what they are doing. We do like to keep in touch and we can't ring everyone but we do respond if you send us some news or pictures.

I hope to be writing to you before too long with more positive information concerning the next steps, in the meantime keep busy, keep smiling and keep safe.

Sally Harvey – Interim Headteacher

Children's Page

Don't forget you can read First News at home each week. The link for this week's edition is below.

https://schools.firstnews.co.uk/wp-content/uploads/sites/3/2020/05/FIRSTNEWS_726.pdf

Here is something a little bit special from the staff at the school this week.

<https://youtu.be/rOqDAIzUIGE>

Perhaps you can tell us what you think or send us something similar that you have done?

What are you up to at home? Don't forget to send photographs to show us. Check out the website to see if you can spot your friends.

This week's topic learning pack, attached to this newsletter is called **What I want to be** and it has a history and PSHE focus. Remember the age ranges are a guide and you can try things from other year groups.

What are we up to in school?

The small group of children of key workers who are in school have taken part in lots of different activities. Last week their topic was 'Under the Sea' they chaked pictures of different animals including a life size blue whale! Mrs Goodier took some pictures from her drone.

Theatre Shows!

The new version of Beauty & The Beast goes live on Thursday.
