INSET DAY—children do not
attend

Friday 7th April 2017

Last day of term 3pm finish as
usual

Year 3 London Trip

On Tuesday 10th January, year 3 made their way to London for a trip that was both part of our topic on natural disasters as well as a chance to spend the money we had raised during the Christmas fayre.

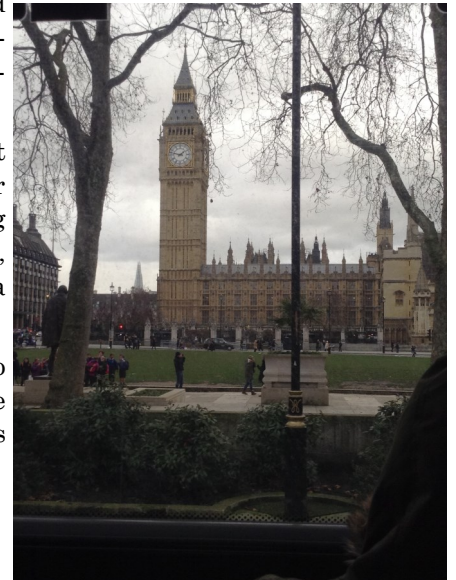

We left school just after 9am and arrived at The Natural History Museum just after 11 o'clock. Once in the museum, we made our way to the Red Zone. We learnt a lot about earthquakes and volcanoes in a very short space of time and even got to experience what an earthquake would feel like.

After lunch, we got back onto the coach and spent the afternoon travelling around London looking at many of the famous landmarks.

It was great to see all sorts of places that many of us had only ever heard of but never had the chance to see such as Downing Street, The Houses of Parliament, Big Ben, Harrods and Buckingham Palace to name a few.

We had a fantastic day and would like to thank everyone who bought our silhouette pictures at the Christmas fayre as well as the PTA who helped fund our trip.

Mr Mullen and Mr Smith

Vodafone Digital Parenting

Looking for a way to start that all-important conversation about social media, gaming and other online activities with your son or daughter? Check out the latest issue of Digital Parenting magazine now. Find the online magazine at <http://www.vodafone.com/content/digital-parenting.html>

Today, families use a whole range of different devices that allow us to get online almost anywhere, at any time, and communicate with almost anyone using social media. Digital resilience allows children and young people to benefit from the exciting opportunities the internet has to offer while also being aware of how to stay safe when using it, and what to do if something goes wrong.

Please use this new edition of Digital Parenting to begin a conversation and share knowledge with your family as you explore the digital world together. It's an exciting place to be and we can all do our bit to help the next generation navigate it **safely** and make the most of all it has to give.

If you are unable to access the internet and would like a hard copy please do not hesitate to ask at the school office and we will happily provide you with a printed version.

Half Term Fun

21st February 2-4pm

Free sports sessions for 7-16 year olds at Pilgrims Way Open Space Andover. These sessions are being ran by Test Valley Community Sports. Consent forms will be sent out just before half term which will need to be taken with them on the day. Children will need to wear appropriate clothing to participate in sporting activities and will need to bring a drink with them.

Enjoy and have
Fun!

Ugandan Links

We are still linking well with our twinned school in Uganda and the children here at Knights Enham Junior School have started to write letters to the children in Uganda about their school lives sharing their learning opportunities giving them an insight into their education.

We are very much looking forward to hearing back from them and finding out more about their education looking at the similarities and differences and learning from each other.

Christmas Fayre

In the previous newsletter it was mentioned that the children worked exceptionally hard on their class stalls to raise money and were putting that money to fantastic use. In total the PTA raised £582.42 which is fantastic and will be put to excellent use to aid your children's education further. We would also like to thank Bridge Street Sainsbury's in Andover for their kind £50 voucher donation for the raffle.
