## Library Books

Please have a 'booklook' at home for any school library books that may not have been returned as we have 90 overdue. This is very costly on the school. Thank you.

Dear Parents and Carers,

I hope you have had a nice weekend. The children have been busy this week with Sports Week. They have shown the school values (nurture, collaboration and respect) throughout the week. It has been lovely to see so many parents attend the Golden Mile each morning and to see so many of you at Sports Day. We hope you enjoyed yourselves. I would like to thank Mr Smith for all his hard work arranging the week and allowing the children the opportunity to be involved in so many sporting activities.

Despite Sports Week, we still had swimming in Year 4, there was pond dipping in Year 5 and we had the Hampshire Games Festival where a select few took part in arrange of sporting activities in Winchester. Pictures can be found on our school Facebook Page/ Instagram.

### After School Clubs

Please note this was the final week for after school clubs. We hope the children have enjoyed the range of activities we have had to offer. New after clubs will be sent out in September for the Autumn term.

### LSAs Role

We have a Learning Support Assistant Role available in September. If you are interested then please click the link for more details. Link: <https://www.hants.gov.uk/jobs/education-jobs>

### E-safety advice for parents – finding out more information

You can found lots of information, tips and support through our school website. Click the link for more information. Link: <https://www.kejs.org/e-safety/>

**Year 3:** Year 3 have impressed us all with their resilience and collaboration this week. They have embraced all the different personal challenges and we are so proud of the way they have tried all the different activities. In the afternoons we have doing some competitions between Leeds and Dover. They have been extremely close, for example Leeds won the boys' sprint race but Dover won the girls' race! Another highlight of the week was the Karate workshop we clearly have some potential little ninjas on our hands. In class the children have been writing a journal each day and they'll be bringing these home on Friday so you can read all about the fun they have had. Well done year 3.

**Year 4:** This week year 4 have really enjoyed taking part in sports week. Everyone has shown all of the school values to achieve their best. In particular, they have shown excellent resilience each morning when running the daily mile and have challenged themselves each morning to improve on their personal score. During the afternoons, the students have shown fantastic collaboration when competing in team activities. These activities have also been played in great spirit with all children respecting each other and giving encouragement to both team mates and opponents. Everyone is looking forward to taking part in the sports day event to showcase all of their sporting abilities and values.

**Year 5:** The children in Year 5 have enjoyed taking part in Sports Week and events like the Golden Mile. In addition, Year 5 has gone pond dipping with representatives from Test Valley Borough Council, which is a departure from last year's river trip. Year 5 is looking forward to starting new English and maths learning journeys next week.

**Year 6:** Year 6 have had an amazing, activity driven week this week. During our sports week they have played: netball, football and new age kurling games. They have also been testing their fitness and trying to beat their personal best by timing themselves for other short activities. Year 6 have mostly enjoyed joining in with the Golden Mile every morning with the rest of the school. They were impressed with their progress each day and eager to see how much improvement they could make by the end of the week.

Enjoy your weekend. I hope to do some paddle boarding this weekend with my children.

All the best, Mr Whitehouse and the KEJS Team!

**Note: attendance and House Points have stayed the same due to no Knights of the Week assembly.**

Inclusive and ambitious learning experiences where our school community feels safe and motivated to achieve their best.

### CLASS ATTENDANCE

We are very keen on making sure that all pupils attend school every day! Great attendance means that the children have the very best chance of doing well at school and thus enhancing their life opportunities. We are always very grateful for the part you play as families in getting the children into school daily and on time! **CamAlot** will be coming out of retirement to support the children and to promote good attendance. The winning class will have him during the week so he can be involved in all lessons. We will publish the attendance figures every week, so that you can see how well your class is doing. You can also access your child's attendance through the Arbor App.

Dover	Leeds	Warwick	Windsor	Edinburgh	Highclere	Arundel	Balmoral	Cardiff
96.3%	93.8%	90.6%	93.2%	96%	93%	92%	91%	100%

#### Attendance

*We work in line with Hampshire County Council policy and do not authorise holidays during term time unless it is due to an exceptional circumstance. Should you choose to take a holiday of 5 days or more you will be issued with a Penalty Notice. Further details can be found on our website.*

### Great News!

I am thrilled to announce that the submission I entered for the LACA Primary School Catering Team of the Year has been successful. Apologies if you heard about this indirectly last week when the awards were announced but I was out of the country.

Knights Enham Junior are one of five nominees for this prestigious award – LACA Primary School Catering Team of the Year.

This award recognise individuals and teams that have made a 'real difference' to school food and education catering so the team should be immensely proud to have been nominated. We are very proud of their achievements in giving their best to support Knights Enham Junior and the other schools it caters for.

Well done Team!

### Andover Carnival

On July 16th Knights Enham Junior School are taking part in the Andover Carnival, we are very excited to announce that we will be part of the procession travelling through Andover town. We will be decorating our float as an Enchanted Garden and will be using the theme of 'Nature and Nature' to celebrate all of the wonderful children who attend our school. We know we have a very supportive and creative community of parents and guardians who might be willing to help us. We would appreciate any help sourcing and making items for our float which will suit our theme - all ideas and creative contributions welcome. Please get in touch with the school if you have further questions about how you can help.
