Dear Families,

I hope you've had a lovely week. As we come to the end of the academic year, this final newsletter is a wonderful opportunity to reflect on the many successes we've shared.

This has been the first full year of our federation between the two schools, and the positive impact has been truly remarkable, not just on our community, but most importantly, on the children. The collaboration and shared vision have brought about meaningful change.

Our Nursery and Year R settings are now well-established, with learning environments that have never been more enriched and engaging. The children are thriving in these purposeful spaces.

In Year 1 and Year 2, we've seen incredible resilience and determination, particularly in phonics. While slightly below the national average, the progress made this year has been significant, and the majority of children have now met the expected standard. This is a testament to the hard work of staff and the support from families.

One of the most heartening aspects of the year has been the seamless transitions and connections across both schools. Whether it's children helping one another, playing together at break times, sharing assemblies, or junior children visiting to support younger peers, there's a genuine sense of unity. It really does feel like one school community.

In the junior school, progress has continued to be strong, with outcomes now above national in nearly all areas of the curriculum. This is an incredible achievement and reflects the dedication of the children, staff, and families who have worked so hard throughout the year.

Looking ahead, I have no doubt that this positive momentum will continue into the next academic year.

Before we sign off for the summer, please remember

- Tuesday: School will finish early, at 1:15pm.

Finally, a heartfelt thank you to each and every one of you. Your support this year has been invaluable. We wish you a restful, joyful summer holiday and look forward to welcoming you back in September.
