Dear Families,

We have finally reached Week 8 of Autumn 1! It has certainly felt like a long half term, largely because of how busy and exciting it has been.

This week ended with Year 5 heading off to Grittleton for their residential. From the stories I've heard since their return and from speaking with the children, it sounds like they all had a truly amazing time. For those children who were unable to attend, they also seemed to enjoy the alternative activities that were planned for them.

A huge thank you to Mrs Cameron, Mrs Ward, and Mrs Elliott for organising the trip and supporting the children throughout the residential, ensuring that everyone had such a memorable experience.

Looking ahead to after half term, please remember that Monday 3rd November is an INSET day and school will reopen on Tuesday. Our first day back will be our Knights' Values Day, focusing on Independence. The day will be filled with fun and engaging activities linked to this theme, and we're sure the children will really enjoy it.

Please also take a moment to check all the key dates for Autumn 2, as there are several important events coming up — including Parents' Evening. An email regarding this would have gone out today.

Farewell to Mrs. Pope

We are sad to share that Mrs. Pope (ELSA) will be leaving us after half term as she and her family are moving away. Mrs. Pope has been an amazing addition to the Knights Enham family - her warmth, care, and dedication have made a real difference to our pupils and staff alike. We will miss her greatly, but we wish her and her family all the very best for the future and their new adventure ahead.

We wish you all a lovely half term break. Enjoy Halloween, have a restful week, and we look forward to seeing everyone back soon.

Take care,

Mr Whitehouse

Online Safety

With the Online Safety Act now in force it's no surprise to see a lot of focus and scrutiny on tech companies, their features and safety settings being so prominent in the media, particularly safety settings failures. However, that shouldn't detract from the fact that safety settings are important; they're not perfect and never will be, but they are there for a reason. Some of the more popular social apps are listed below, with links to their privacy and parent controls. They are all from the Internet Matters website:

● Discord app settings - <https://www.internetmatters.org/parental-controls/gaming-consoles/discord-app/>

● TikTok parental controls - <https://www.internetmatters.org/parental-controls/social-media/tiktok-privacy-and-safety-settings/>
