

Dear Parents and Carers,

I hope you are all well and have had a lovely week.

Despite the wet weather, the children have continued to be proactive and enthusiastic in their learning this week. After-school clubs have now started, and we hope that the children who are attending are thoroughly enjoying the new opportunities on offer.

We also hope you have had the chance to visit the Book Fair, which is currently based at the junior school and offers a wide variety of books. If you have not yet been able to attend, the Book Fair will be open for the final time on Monday after school, and we would love to see you there.

I would like to say a big well done to our second football team, who visited Balksbury School this week. Despite the score, they performed fantastically, demonstrating excellent teamwork, collaboration, and sportsmanship. We are very proud of them. A big shout-out also goes to our girls' football team, who again played brilliantly against Vigo this afternoon and represented the school extremely well.

We also hope that all of our KS1 children enjoyed their Twilight storytelling session, complete with hot chocolate and biscuits. Please visit our social media platforms to see photographs and videos from the event.

Finally, a special well done to two of our pupils who spent time outside of school helping to clean up the local area. As you can see from the photographs, they did a fantastic job, and we are incredibly proud of their efforts and community spirit. Well done girls 

**Please remember that if you see anyone on the school site who appears suspicious or if you have any concerns, contact a member of staff immediately.**

We hope you all have a lovely weekend.

Kind regards,

Mr Whitehouse and Knights Enham Staff

## Online Safety

Our safety hacks are here to help you feel more in control online.

**Think before you share** - what you share online can stick around for longer than you think, including our photos, videos, and comments. It's good to always keep this in mind.

**Keep private info private** - keep things like your address, phone number, full name, school and date of birth private, and check what people can see in your privacy settings.

**Know who you're chatting to** - when chatting to others online, keep an eye out for red flags, fake profiles, or anyone who might not be who they say they are.

**Spot the fakes**- not everything we see online is always going to be true. Spotting misinformation will help you feel more in control of your feed, your feelings, and your views of the world.

**Talk it out** - if anything happens or something you're not sure about, you don't need to hide it or pretend it hasn't happened. Chat to a mate, an adult you trust, or you can always contact Childline.

## Attendance

**You can track your child's attendance on the Arbor App**

If you have any questions regarding attendance, you can speak to Ms Hardy who is based at the Infants.

**We work in line with Hampshire County Council policy and do not authorise holidays during term time unless it is due to an exceptional circumstance. Should you choose to take a holiday of 5 days or more you will be issued with a Penalty Notice. Further details can be found on our website.**

**ONIONS**

IN SEASON February

Onions are vegetables. They are plants in the genus *Allium*. When people talk about onions, they usually mean garden onions.

Onions have bulbs, which are edible, in most species. They have a strong flavour, and a very distinctive smell.

**Pancake Day**

Decorate a pancake at home for your chance to win a prize!

We are asking you to decorate a pancake for Pancake Day. Cut them up, shape and decorate with some delicious treats - the more creative the better!

Send us a photo of your creations for your chance to win...

Please can all entries be collated and handed to your Catering Manager no later than **Monday 23rd February** for inclusion in this competition. **One lucky winner will be drawn** week commence 2nd March!

**Fairtrade**

We support Fairtrade.

Fairtrade is a simple way to make a positive difference to the lives of the people who grow the food and products we enjoy every day. It works by changing the way trade operates - ensuring better prices, decent working conditions, and a fair deal for farmers and workers in developing countries.
