

Science

Plants and Living Things and their habitats.

We will be finishing our plants topic by completing some investigations, and then moving onto looking at our local wildlife and thinking about simple food chains.

History

Titanic

We will be learning about the RMS Titanic that set sail from Southampton in 1912, as our local history topic. We will think about living memory and beyond living memory and where what we have experienced fits into a timeline.

RE - Special.

We are learning about special books for ourselves, Christians and Jews. We will think about what makes things special to ourselves and groups of people.

PE -Please check website for PE days for each class.

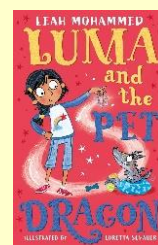

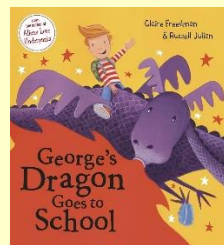

Children will receive two sessions a week. We will be doing some team work lessons and looking at Invasion and Ball skills in our other slots.

PSHE

Rights and Respect

We are using the SCARF programme to learn about 'Being my best' with a focus on good hygiene, germs and our bodies with a look at some basic First Aid!

ENGLISH

We will be using these two texts to complete our writing this term.

We will be able to use some exciting vocabulary to write a description of a Dragon, and then a persuasive letter to Mr Whitehouse asking for a pet dragon in the school!

We'll finish this off with instructions on how to care for a pet dragon.

MATHS

Children will be developing their maths skills with particular focus on the following areas.

Multiplication and division

Geometry

Measure - capacity

Addition and Subtraction

All of our teachers work closely together to ensure that they meet the children's needs within their group.

Disaster! Key Stage One Summer 1

DT

We will be designing and making a 3D model of a dragon using hinges and levers!

Music

We are continuing our new programme on Kapow, looking at structure with the theme 'Myths and Legends.'
