

Science

Living Things and their habitats and materials.

We will continue looking at our local wildlife and thinking about simple food chains before moving on to investigating materials and what they are best used for.

Geography

Oceans

We will be learning the names of the 5 oceans, thinking about which animals live in them, before moving on to talking about pollution and protecting our environment.

RE - God.

We are learning about God in the Christian and Jewish Faiths. We will be talking about who or what God is, what he does, and how this relates to people's lives.

PE -Please check website for PE days for each class.

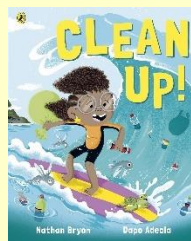

Children will receive two sessions a week. We will be doing Invasion and Ball skills and athletic activities in preparation for Sports Week!

PSHE

Growing and Changing

We are using the SCARF programme to learn about 'growing and changing' with a focus on body parts, growing, privacy and touch.

ENGLISH

We will be using these two texts to complete our writing this term.

We will be able to use some exciting vocabulary to write a sequel to The Pirate Cruncher, describing our own pirates and their adventure.

We'll finish this off with writing a persuasive letter about protecting our planet.

MATHS

Children will be developing their maths skills with particular focus on the following areas.

Multiplication and division

Geometry

Measure - capacity

Addition and Subtraction

We'll be doing lots of problem solving, and looking at maths investigations ready for moving on to our next year of learning!

Land Ahoy! Key Stage One Summer 2

DT

We will be designing and making a Pirate Flag, developing new skills in sewing!

Music

We will be learning some sea shanties in preparation for our Pirate Day!
