## Dear Parents/Carers

I hope you have all had a lovely week. Thank you for your continued support during this period of particularly hot weather. Despite the heat, it is important that the children continue to attend school and engage with their learning, and we greatly appreciate your support.

**Please can we remind all families that children must bring a water bottle to school every day.** We are increasingly concerned that some children are arriving without one, particularly during these very hot days. The high temperatures are expected to continue into next week, so please ensure your child comes to school with a named water bottle each morning.

Despite the challenging conditions, there has been so much to celebrate this week. Firstly, a massive well done to our Year 6 children, who completed their dress rehearsal and performed brilliantly for their families. It has been particularly difficult performing in such hot conditions, but they showed tremendous effort, enthusiasm and resilience. We are incredibly proud of them.

Next week is also **Year 6 Fun Week**. Parents and carers of Year 6 children are asked to refer to the separate correspondence that has been sent out, which provides full details of the activities and arrangements for the week.

We also held our Bump-Up Day, during which the children had the opportunity to visit their new classrooms and meet the adults they will be working with next year. We hope they came home excited to share everything they experienced. We have planned a second Bump-Up Morning for **Tuesday 21 July**, giving the children another opportunity to become familiar with their new classrooms, classmates and adults.

Our Key Stage 1 children also enjoyed a fantastic Pirate Day. It was wonderful to see so many children embracing the theme and enjoying the pirate-related activities within their curriculum. Please keep an eye on our Facebook page, where we will be sharing photographs of some of their brilliant costumes.

Year 3 and Year 4 also took part in a Bake-Off session, creating delicious lemon drizzle cakes. The children thoroughly enjoyed preparing, baking and, of course, tasting their final creations. I certainly enjoyed sampling them too!

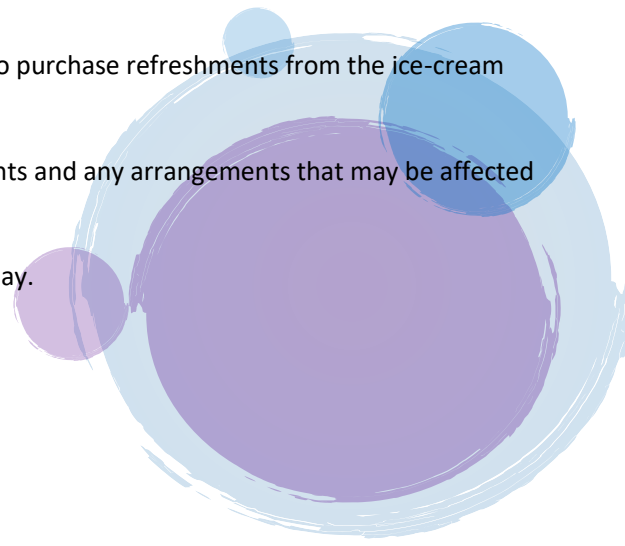

## Upcoming dates and reminders

- **Monday 13 July at 3:30pm** – Grittleton meeting for parents and carers of the current Year 4 cohort.
- **Wednesday 15 July at 5:00pm** – Reception welcome meeting for families of children joining Year R.
- **Monday 20 July** – Water Party. ***This is currently planned to go ahead but will be confirmed nearer the time due to the hosepipe ban. Please look out for further communication.***
- **Tuesday 21 July** – Second Bump-Up Morning.
- **Wednesday 22 July at 11:45am** – Family Picnic, followed by an opportunity to purchase refreshments from the ice-cream van.

Please continue to keep an eye out for separate correspondence regarding these events and any arrangements that may be affected by the weather or hosepipe restrictions.

Finally, a reminder that the children's end-of-year reports will be sent home on Monday.

Thank you, as always, for your continued support.

## Online Safety

AI is being used to turn ordinary photos of children into sexual abuse material. The National Crime Agency and Internet Watch Foundation have issued new guidance to help parents make informed choices about sharing images of their children online. It covers reviewing privacy settings, revisiting consent with your child as they grow, and what to do if you're worried.

The parent's guidance can be found here: <https://www.iwf.org.uk/resources/ai-child-abuse-imagery-parent-guide/>

## Attendance

**We work in line with Hampshire County Council policy and do not authorise holidays during term time unless it is due to an exceptional circumstance. Should you choose to take a holiday of 5 days or more you will be issued with a Penalty Notice. Further details can be found on our website.**

## WATER SAFETY

Stay safe. Have fun. Enjoy the water.

**DROWNING IS ONE OF THE LEADING CAUSES OF ACCIDENTAL DEATH IN CHILDREN IN THE UK. MOST INCIDENTS ARE PREVENTABLE.**

As the weather warms up, children and young people spend more time around water – at home, on days out or on holiday. Let's keep them safe.

Almost half of drownings occur during the summer months when temperatures are higher – especially when 25°C or above.

**THE HSCP WATER SAFETY TOOLKIT FOR PARENTS & CARERS INCLUDES:**

- EVERYDAY RISKS AT HOME**  
Including bath time safety and garden hazards.
- STAYING SAFE OUTDOORS**  
Such as the beach, around rivers and in open water.
- PRACTICAL SAFETY ADVICE**  
Including the Water Safety Code and how to "Float to Live".
- AGE-SPECIFIC GUIDANCE**  
For babies, young children, older children and teenagers.
- WHAT TO DO IN AN EMERGENCY**  
Including simple first aid steps and where to find further support.

Small actions, big difference

- ✓ Keep children within arm's reach of water.
- ✓ Choose safe places to swim.
- ✓ Talk to your children about water safety.

Together, we can help prevent tragedies and keep our children safe this summer.
