

KNIGHTS NEWS

10th July 2026

Dear Families,

This is the final newsletter of the academic year, and what a year it has been—one we can all be incredibly proud of.

As a school and community, we have gone from strength to strength. We began the year celebrating our positive Key Stage 2 outcomes, which reflected the progress our schools have been making. That momentum has continued throughout the year, with our phonics results reaching the national average, continued upward trends across the school, another strong set of Key Stage 2 SATs results, and, to top it all off, a very positive Ofsted inspection.

Our inspection highlighted the many strengths within our schools, with particular recognition for our **strong provision for inclusion, wellbeing and professional development**. These achievements are a testament to the hard work, commitment and determination of our children, our dedicated staff, and the incredible support you have shown us as families throughout the year. We cannot thank you enough.

We are already looking forward to the next academic year and building on everything we have achieved together.

I would also like to say a special thank you to our Year 6 pupils. Although we still have a couple of days together, I hope they have thoroughly enjoyed their Fun Week and that they have shared many happy memories with you at home. Our staff have certainly loved spending this final week with them, celebrating everything they have achieved and giving them the send-off they truly deserve.

Finally, although the school year officially ends on Wednesday afternoon, I wanted to take this opportunity to thank you once again for all of your support throughout the year. If I don't get the chance to see you in person before the end of term, I wish you and your families a wonderful, safe and relaxing summer holiday.

We look forward to welcoming everyone back in September for another exciting year.

With best wishes,

Daniel Whitehouse
Executive Headteacher

We look forward to welcoming you and your family!

WATER SAFETY

Stay safe. Have fun. Enjoy the water.

DROWNING IS ONE OF THE LEADING CAUSES OF ACCIDENTAL DEATH IN CHILDREN IN THE UK.
MOST INCIDENTS ARE PREVENTABLE.

As the weather warms up, children and young people spend more time around water – at home, on days out or on holiday. Let's keep them safe.

Almost half of drownings occur during the summer months when temperatures are higher – especially when 25°C or above.

THE HSCP WATER SAFETY TOOLKIT FOR PARENTS & CARERS INCLUDES:

- EVERYDAY RISKS AT HOME**
Including bath time safety and garden hazards.
- STAYING SAFE OUTDOORS**
Such as the beach, around rivers and in open water.
- PRACTICAL SAFETY ADVICE**
Including the Water Safety Code and how to "Float to Live".
- AGE-SPECIFIC GUIDANCE**
For babies, young children, older children and teenagers.
- WHAT TO DO IN AN EMERGENCY**
Including simple first aid steps and where to find further support.

Small actions, big difference

- Keep children within arm's reach of water.
- Choose safe places to swim.
- Talk to your children about water safety.

Together, we can help prevent tragedies and keep our children safe this summer.

For practical advice and resources, download the Water Safety Toolkit:
www.hampshirescp.org.uk/parents-and-carers/water-safety/

Enjoy the water. Stay safe. Look out for each other.
