

KNIGHTS NEWS

4th September 2026

Dear Families,

We hope you had a lovely weekend. It has been fantastic to welcome the children back to school last week. Every single one of them has started the new school year with enthusiasm, confidence and plenty of happy smiles! They all seem genuinely excited to be back at school – although whether they have told you the same thing at home is another matter!

It has been a really lovely start to the term, and the staff have thoroughly enjoyed having the children back and hearing all about some of the fun things they have been up to over the summer.

On their first day, the children took part in our **Knights Enham Values Day**, completing lots of fun team-building activities with a particular focus on **Respect**. It was a great way to start the year and remind ourselves of the values that make our school community so special.

We are already looking forward to a busy and exciting term ahead. If you haven't already, please take a look at the key dates below and make a note of them, as we have lots of exciting events and activities coming up.

Thank you, as always, for your continued support.

Have a lovely weekend!

Online Safety

AI is being used to turn ordinary photos of children into sexual abuse material. The National Crime Agency and Internet Watch Foundation have issued new guidance to help parents make informed choices about sharing images of their children online. It covers reviewing privacy settings, revisiting consent with your child as they grow, and what to do if you're worried.

The parent's guidance can be found here: <https://www.iwf.org.uk/resources/ai-child-abuse-imagery-parent-guide/>
