

KNIGHTS NEWS

11th September 2026

Dear Families,

It has been absolutely fantastic to have the children back for their first full week. I am sure they have been coming home feeling very tired, but hopefully still full of enthusiasm and eager to share some of the learning they have been doing!

This week, the children have begun their new learning for the term. You can visit the class pages on our school website to view the curriculum overviews, which will give you a better understanding of what your child will be learning over the coming weeks. Link: <https://www.knightsenhamfederation.co.uk/class-pages>

Children should also have brought home their weekly timetable, which outlines when PE lessons and other subjects take place throughout the week. We hope this will help you start conversations at home about what they have been learning and what they have enjoyed.

If you have not already done so, please make sure you have looked through the key dates for the autumn term, as we have lots of exciting events coming up.

Please note that Wraparound Care will be closed on **Friday 25th September** due to the Summer Knights Festival taking place that afternoon.

Thank you for your continued support. I hope you all have a lovely weekend.

Online Safety

AI is being used to turn ordinary photos of children into sexual abuse material. The National Crime Agency and Internet Watch Foundation have issued new guidance to help parents make informed choices about sharing images of their children online. It covers reviewing privacy settings, revisiting consent with your child as they grow, and what to do if you're worried.

The parent's guidance can be found here: <https://www.iwf.org.uk/resources/ai-child-abuse-imagery-parent-guide/>
