

Dear Families,

I hope you've all had a lovely week!

It's been another incredibly busy week at Knights Enham Schools, particularly for our Year 5 children, who have enjoyed some fantastic experiences!

Harmony Woods

On Tuesday, Year 5 visited Harmony Woods, where they planted trees and took part in a range of activities focused on making a positive impact on the environment. The children will have the opportunity to return in the future to see how their trees have grown!

Year 5 Residential

From Wednesday to Friday, our Year 5 children have been enjoying their residential at Grittleton, taking part in lots of exciting outdoor adventures and making wonderful memories. If you haven't already, please take a look at our Facebook page for some fantastic photos! Meanwhile, the children who remained at school have also had a brilliant time, enjoying activities including a visit to Pinky Farm, baking and making their own pizzas!

Looking Ahead to Next Week

Parents' Evenings – Monday and Thursday

A reminder that there will be **no after-school clubs next week** due to parents' evenings. If you haven't already booked your appointment, please do so through Arbor. If you need any support, our office team will be happy to help.

Halloween Disco – Wednesday

Our Halloween disco takes place after school on Wednesday! If you haven't purchased your child's ticket yet, please book through Arbor (booking can be found under section for Trips) Children are welcome to bring a little pocket money for snacks, sweets and other treats available on the day.

Finally, as we approach the last week of this half term, I want to thank all our families for your continued support. It has been a busy and exciting few weeks, with so many wonderful opportunities for our children.

Have a fantastic weekend, everyone!

Online Safety

AI is being used to turn ordinary photos of children into sexual abuse material. The National Crime Agency and Internet Watch Foundation have issued new guidance to help parents make informed choices about sharing images of their children online. It covers reviewing privacy settings, revisiting consent with your child as they grow, and what to do if you're worried. The parent's guidance can be found here: <https://www.iwf.org.uk/resources/ai-child-abuse-imagery-parent-guide/>
