Memories

Key Stage One Curriculum B Autumn 2

Science
The children will be using their skills of prediction, observation and investigation to explore the following questions.

What is a material?

How can I describe different materials?

What is the best material to use for this task and why?

RE - Journey's End
We are learning about journeys and our feelings towards going on a journey. We will be looking at the journey of Babushka at Christmas time, and then the story of the Nativity Journey from the Christian faith.

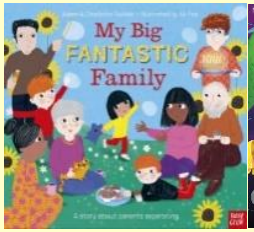

PE – Castles- Monday and Tuesday Dragons - Tuesday and Wednesday Knights- Tuesday and Thursday.
Children will receive two sessions a week. We will be doing Dance this term, learning to copy and explore dance routines and we will be learning how to control a ball whilst sending and receiving with Personal Best. Remember, on these days, you come to school in your Knights Enham P.E kit! Purple jumpers/hoodies, black bottoms and black trainers only please!

PSHE
<u>Valuing Differences</u>
We are using the SCARF programme to learn about how people are different, relationships and accepting others.

ENGLISH

We will be using these texts to find out more around our history theme of Memories. We will be writing instructions, asking questions and writing fact files.

MATHS
All children have been put into groups that match their current area of understanding and learning. This may be following the Year 1 learning curriculum, the Year 2 learning curriculum, a balanced mix of both, or concentrating on basic maths skills such as number recognition and counting 1 more or 1 less. All children in Year 1 and Year 2 will be challenged at their level and will be learning in the same maths area at the same time. All of our teachers will work closely together to ensure that they meet the children's needs within their group.

We will be learning about:

Multiplication and division
Addition and Subtraction
Shape and Data collection.

Art / DT
We will be learning about Henri Matisse and collaging images using warm colours.

Music
We are continuing using our programme on Kapow by learning 'Snail and Mouse - Tempo'.

History
We will be looking at technology through living memory and how life around us has changed since when our Grandparents were young.

Can you find some old items around your house or at your grandparents house to look at?
